

Riri Sustainability Products

Product	Metal – INOX	Available Executions	GE	Available Dimensions	6 mm
----------------	--------------	-----------------------------	----	-----------------------------	------

For any further information, please ask to our sales representatives.

What makes it Sustainable:

Tape	Cotton without GMO	Riri purchases only Cotton that does <u>not contain GMO.</u>
Components	Mono-material metal	Chain, stoppers, puller and slider are entirely made of stainless steel conferring a <u>high degree of recyclability</u> to the Metal 6 – INOX.
Surface treatments	Reduced water & energy consumption	Thanks to the inherent characteristics of Stainless Steel , the Metal 6 – INOX is produced <u>without any galvanic treatment.</u>
Certifications	Product certified	Oekotex Standard 100 – Product Class I is an international accreditation of a <u>responsible chemical management.</u>
Technics	Resistance & robustness	Thanks to the high degree of durability of stainless steel, the Metal 6 – INOX <u>has a longer life cycle.</u>
