What makes it Sustainable:

Tape	Cotton without GMO	Riri purchases only Cotton that does not contain GMO .
Components	Mono-material metal	Chain, stoppers, puller and slider are entirely made of zamak conferring a high degree of recyclability to the Solid - BL.
Surface treatments	BL Finishing: Reduced water & energy consumption	The BL Surface Finishing is manufactured without any galvanic treatment .
Certifications	Product certified	Oekotex Standard 100 – Product Class I is an international accreditation of a responsible chemical management .
